text Brian at 978.726.6166

### **Brian: Lead Vocal + Lead Samples**

- Needs an XLR cable for lead vocal
- Uses audio samples (can provide 1/4" cable out or DI box)
- Add extra reverb to the vocals
- Monitor Mix: crank the lead vocal

### **Jane: Guitar + Backup Vocal**

- Needs a plug, power strip, or surge protector
- Needs guitar cab mic'd
- Needs an XLR cable and mic stand for backup vocals
- Monitor Mix: crank backup vocal, guitar, snare

### **Tim: Bass Guitar + Extra Samples w/808 Bass Bombs**

- Needs a plug, power strip, or surge protector
- Needs bass cab mic'd
- Needs a DI Box with 1/4" input (warning: bass bombs)
- Monitor Mix: crank lead samples

### **Greg: Drums w/Kick Trigger**

- Needs a plug, power strip, or surge protector
- Needs a DI Box with 1/4" input for kick trigger
- Needs drums mic'd (snare, 3 toms, 4 cymbals, ride, hat, kick)
- Monitor Mix: crank guitar and lead samples

Please **crank samples** on the PA for **the full set**.
